2. You promise to pay for all amounts charged to your Account by you or any authorized user in accordance with the terms of the agreement. You also agree to pay all finance charges, late charges, returned check charges, collection costs, and all other sums which become due under this agreement.

3. Approval by the Issuer will establish the following:

(1) The credit limit approved shall be determined by the Issuer, and this credit limit will be drawn upon as I utilize an issued Card or approved access device such as letter check, cash advances or other approved programs to make available access to the credit available under the Cardholder’s credit limit. In the event of access to the credit limit by a Cardholder by letter check or other authorized check or credit devices, a stop payment order must be given in writing. Applicable Uniform Commercial Code procedures and time periods shall apply to the effectiveness of the stop payment order.

(2) The credit limit approved shall be subject to change from time to time. The new rate on Cash Advances, Credit Purchases and Visa Platinum Secured will be repaid as follows: either the full amount billed shall be paid or, at my option, an installment equal to at least the required minimum payment. If the outstanding balance of my Account is $10.00 or less, it will be paid in full. You may pay the entire balance of your Account at any time without penalty. The required minimum monthly payment on Visa Platinum, Visa Platinum Cash Rewards and Visa Platinum Secured shall be the greater of (i) $10.00 or (ii) 2% of that portion of the outstanding balance which does not exceed my credit limit, plus the entire portion of the outstanding balance in excess of my credit limit plus any amount past due.

4. PERIODIC FINANCE CHARGE CALCULATION METHODS

The FINANCE CHARGE applicable to your Account for Cash Advances and Credit Purchases of goods and services that you obtain through the use of your Card is calculated in accordance with the following method.

**Cash Advances:** A FINANCE CHARGE will be imposed on Cash Advances from the date made or from the first day of the billing cycle in which the Cash Advance is posted to your Account, whichever is later, and will continue to accrue on the unpaid average daily balance of such Cash Advances until the date of payment if paid during the same billing cycle, or until the closing date of the billing cycle preceding the date on which the entire New Balance is paid in full or until the date of payment if more than 25 days from the closing date. If the New Balance shown on your monthly statement for the prior billing cycle is paid in full within 25 days from the closing date of that statement, no FINANCE CHARGES will be imposed during the current billing cycle for Cash Advances posted to your Account during previous billing cycles.

The **FINANCE CHARGE** for a billing cycle is computed by applying the Monthly Periodic Rate to the average daily balance of Cash Advances, which is determined by dividing the sum of the daily balances by the number of days in the billing cycle. Each daily balance of Cash Advances is determined by new Cash Advances posted to your Account, and subtracting any payments as received or credits as posted to your Account, but excluding any unpaid FINANCE CHARGES. All balance transfers from other loans or accounts as permitted by Issuer, in Issuer’s sole discretion, will be treated as Cash Advances for the purpose of all FINANCE CHARGES.

**Credit Purchases:** A FINANCE CHARGE will be imposed on Credit Purchases only if you elect not to pay the entire New Balance shown on your monthly statement for the previous billing cycle within 25 days from the closing date of that statement. If you elect not to pay the entire New Balance shown on your previous monthly statement within that 25-day period, a FINANCE CHARGE will be imposed on the unpaid average daily balance of such Credit Purchases from the previous statement closing date and on new Credit Purchases from the date of posting to your Account during the current billing cycle, and will continue to accrue until the closing date of the billing cycle preceding the date on which the entire New Balance is paid in full or until the date of payment if more than 25 days from the closing date.

The **FINANCE CHARGE** for a billing cycle is computed by applying the monthly Periodic Rate to the average daily balance of Credit Purchases, which is determined by dividing the sum of the daily balances during the billing cycle by the number of days in the cycle. Each daily balance of Credit Purchases is determined by adding to the outstanding unpaid balance of Credit Purchases at the beginning of the billing cycle any new Credit Purchases posted to your Account, and subtracting any payments as received and credits as posted to your Account, but excluding any unpaid FINANCE CHARGES.

5. FINANCE CHARGES

The Monthly Periodic Rate (“MPR”) and ANNUAL PERCENTAGE RATE (“APR”) are variable rates that may change in January and July of each year. Issuer will determine the Monthly Periodic Rate and the corresponding ANNUAL PERCENTAGE RATE as follows:

Issuer starts with an independent index (the “Index”), which is The Wall Street Journal Prime Rate. When a range of rates had been published, the highest rate will be used. Issuer will use an Index value available in the month immediately preceding the month of the annual percentage rate adjustment as determined by Issuer in Issuer’s sole discretion. Issuer will choose the date of any annual percentage rate adjustment in Issuer’s sole discretion; this date may change from time to time. To determine the Monthly Periodic Rate that will apply to your Account, Issuer adds a Margin to the value of the Index. Then Credit Union divides this sum by the number of months in a year (12). To obtain the ANNUAL PERCENTAGE RATE, Issuer will multiply the Monthly Periodic Rate by the number of months in a year (12). This result is the ANNUAL PERCENTAGE RATE, Your Monthly Periodic Rate, ANNUAL PERCENTAGE RATE, Margin, minimum Monthly Periodic Rate and corresponding ANNUAL PERCENTAGE RATE and maximum Monthly Periodic Rate and corresponding ANNUAL PERCENTAGE RATE are based upon your Card type and your Tier. Your Tier is based upon certain creditworthiness factors which include, but are not limited to, payment history and credit bureau data. Your Margin and your initial Monthly Periodic Rate and corresponding ANNUAL PERCENTAGE RATE will be disclosed to you before or at the time the Account and Card are issued in the Initial Rate Disclosure, which is included with this Agreement and incorporated by reference. Subject to applicable laws and regulations, your Margin may also be increased or decreased at any time in Credit Union’s sole discretion based upon certain creditworthiness factors which include, but are not limited to, payment history and credit bureau data. Any change in your Margin will cause a corresponding change in the ANNUAL PERCENTAGE RATE and Monthly Periodic Rate.

The ANNUAL PERCENTAGE RATE can change each January and each July with changes in the Index. All changes to the ANNUAL PERCENTAGE RATE will be effective on the first day of the first billing cycle of January or July as applicable. There is no limit on the amount by which the ANNUAL PERCENTAGE RATE can change during any period or the term of the Account. Your Monthly Periodic Rate and corresponding ANNUAL PERCENTAGE RATE will not be less than the Minimum Rate applicable to your Tier, regardless of changes in the Index. The maximum ANNUAL PERCENTAGE RATE that can apply is 18.00% or the maximum permitted by law, whichever is less.

YOUR BILLING RIGHTS
(Keep this Notice for Future Use)

This notice tells you about your rights and our responsibilities under the Fair Credit Billing Act.

What To Do If You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at:

Credit Card Customer Service
PO Box 30495
Tampa, FL 33630

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement and at least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.
- After we finish our investigation, one of two things will happen:

  - If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.
  - If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days. We will tell you that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first $50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at:

Credit Card Customer Service
PO Box 30495
Tampa, FL 33630

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

The Prime Rate used to determine your APR is the highest rate published in the Wall Street Journal as selected by the Credit Union in the calendar month preceding the month in which the APR changes. Your APR for purchases, cash advances and balance transfers can change every January and July of each calendar year and is determined by adding a margin of 5.74% to 13.24% (7.74% to 14.24% for Visa Platinum Cash Rewards) to the Prime Rate. Balance Transfer APR only applies to balance transfers from other financial institutions.

Your **ANNUAL PERCENTAGE RATE** and your Margin (a) is based on your creditworthiness and your credit score obtained from your consumer report and (b) will be disclosed to you before or at the time the credit card is issued. Conditions and credit approval may apply. Rates are correct as of the effective date shown and are subject to change without notice. Ask a representative for complete details.

Visa Platinum Cash Rewards. If your account is a Visa Platinum Cash Rewards Account you will be entitled to Cash Rewards equal to 1.50% of Qualifying Net Purchases during the calendar year.
