

FACTS WHAT DOES BRIGHTSTAR CREDIT UNION DO WITH YOUR PERSONAL INFORMATION?

Why? Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.

What? The types of personal information we collect and share depend on the product or service you have with us. This information can include:

- Social Security number
- Account balances
- Payment history
- Credit history
- Credit scores
- Overdraft history

How? All financial companies need to share members' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their members' personal information; the reasons BrightStar Credit Union chooses to share; and whether you can limit this sharing.

Reasons we can share your personal information	Does BrightStar Credit Union share?	Can you limit this sharing?
For our everyday business purposes - such as to process your transactions, maintain your account(s), respond to court orders and legal investigations, or report to credit bureaus	Yes	No

What We Do	
How does BrightStar Credit Union protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings. We also maintain other physical, electronic and procedural safeguards to protect this information and we limit access to information to those employees for whom access is appropriate.
How does BrightStar Credit Union collect my personal information?	We collect your personal information, for example, when you <ul style="list-style-type: none"> ● Open an account ● Pay your bills ● Make deposits or withdrawals from your account ● Give us your contact information ● Show your driver's license We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.
Why can't I limit all sharing?	Federal law gives you the right to limit only <ul style="list-style-type: none"> ● sharing for affiliates' everyday business purposes - information about your creditworthiness ● affiliates from using your information to market to you ● sharing for nonaffiliates to market to you State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.
What happens when I limit sharing for an account I hold jointly with someone else?	Your choices will apply to everyone on your account.
