## TERMS AND CONDITIONS OF YOUR ACCOUNT

**IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT** - To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

**AGREEMENT** - This document, along with any other documents we give you pertaining to your account(s), is a contract that establishes rules which control your account(s) with us. Please read this carefully and retain it for future reference. If you sign the signature card or open or continue to use the account, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this document. If you have any questions, please call us.

This agreement is subject to applicable federal laws, the laws of the state of Florida and other applicable rules such as the operating letters of the Federal Reserve Banks and payment processing system rules (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this document is to:

- (1) summarize some laws that apply to common transactions;
- (2) establish rules to cover transactions or events which the law does not regulate;
- (3) establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
- (4) give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the signature card for your account or in some other document. Nothing in this document is intended to vary our duty to act in good faith and with ordinary care when required by law.

As used in this document the words "we," "our," and "us" mean the financial institution and the words "you" and "your" mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. However, this agreement does not intend, and the terms "you" and "your" should not be interpreted, to expand an individual's responsibility for an organization's liability. If this account is owned by a corporation, partnership or other organization, individual liability is determined by the laws generally applicable to that type of organization. The headings in this document are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this document should be construed so the singular includes the plural and the plural includes the singular. "Party" means a person who, by the terms of an account, has a present right, subject to request, to payment from the account other than as a beneficiary or agent.

**BYLAWS** - Our bylaws, which we may amend from time to time, establish basic rules about our credit union policies and operations which affect your account and membership. You may obtain a copy of the bylaws on request. Our right to require you to give us notice of your intention to withdraw funds from your account is described in the bylaws. Unless we have agreed otherwise, you are not entitled to receive any original item after it is paid, although you may request that we send you an item(s) or a copy of an item(s). Dividends are based on current earnings and available earnings of the credit union, after providing for required reserves.

**LIABILITY** - You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges, without notice to you, directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and can be deducted directly from any account balance whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft.

You will be liable for our costs as well as for our reasonable attorneys' fees, to the extent permitted by law, whether incurred as a result of collection or in any other dispute involving your account. This includes, but is not limited to, disputes between you and another joint owner; you and an authorized signer or similar party; or a third party claiming an interest in your account. This also includes any action that you or a third party takes regarding the account that causes us, in good faith, to seek the advice of an attorney, whether or not we become involved in the dispute. All costs and attorneys' fees can be deducted from your account when they are incurred, without notice to you.

**DEPOSITS** - We will give only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn "on us"). Before settlement of any item becomes final, we act only as your agent, regardless of the form of indorsement or lack of indorsement on the item and even though we provide you provisional credit for the item. We may reverse any provisional credit for items that are lost, stolen, or returned. Unless prohibited by law, we also reserve the right to charge back to your account the amount of any item deposited to your account or cashed for you which was initially paid by the payor bank and which is later returned to us due to an allegedly forged, unauthorized or missing indorsement, claim of alteration, encoding error or other

problem which in our judgment justifies reversal of credit. You authorize us to attempt to collect previously returned items without giving you notice, and in attempting to collect we may permit the payor bank to hold an item beyond the midnight deadline. Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them. If you deliver a deposit to us and you will not be present when the deposit is counted, you must provide us an itemized list of the deposit (deposit slip). To process the deposit, we will verify and record the deposit, and credit the deposit to the account. If there are any discrepancies between the amounts shown on the itemized list of the deposit and the amount we determine to be the actual deposit, we will notify you of the discrepancy. You will be entitled to credit only for the actual deposit as determined by us, regardless of what is stated on the itemized deposit slip. We will treat and record all transactions received after our "daily cutoff time" on a business day we are open, or received on a day we are not open for business, as if initiated on the next business day that we are open. At our option, we may take an item for collection rather than for deposit. If we accept a third-party check for deposit, we may require any third-party indorsers to verify or guarantee their indorsements, or indorse in our presence.

**Deposits at Night Depositories** - You agree all deposits made in a night depository will be contained in an envelope. Each envelope placed in the night depository shall contain only non-cash items properly endorsed, along with a deposit ticket showing the contents of the envelope. We will open the night depository on our first (1st) business day following the deposit of the envelope(s) in the night depository. We will open the envelope(s) of the depositor, check the contents thereof and credit the depositor's deposit account the amount contained therein. The accounting of the contents of the envelope(s) by us shall be conclusive as to the amount to be credited to the depositor's deposit account. We reserve the right to withdraw the night depository from use at any time without notice, and to revoke your privilege to use our night depository facilities. Except as required by law or regulation, (i) we are not responsible for providing any security measures or safeguards for users of the night depository, (ii) use of the night depository is solely at the risk of the depositor, and (iii) we and our agents shall not be responsible or liable for any loss to you as the result of robbery, theft, vandalism or any other cause.

### WITHDRAWALS -

**Generally** - Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs to open the account or has authority to make withdrawals may withdraw or transfer all or any part of the account balance at any time. Each of you (until we receive written notice to the contrary) authorizes each other person who signs or has authority to make withdrawals to indorse any item payable to you or your order for deposit to this account or any other transaction with us.

**Postdated checks** - A postdated check is one which bears a date later than the date on which the check is written. We may properly pay and charge your account for a postdated check even though payment was made before the date of the check, unless we have received written notice of the postdating in time to have a reasonable opportunity to act. Because we process checks mechanically, your notice will not be effective and we will not be liable for failing to honor your notice unless it precisely identifies the number, date, amount and payee of the item.

**Checks and withdrawal rules** - If you do not purchase your check blanks from us, you must be certain that we approve the check blanks you purchase. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us or by any method we do not specifically permit. We may refuse any withdrawal or transfer request which is greater in number than the frequency permitted, or which is for an amount greater or less than any withdrawal limitations. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply the frequency limitations. In addition, we may place limitations on the account until your identity is verified.

Even if we honor a nonconforming request, we are not required to do so later. If you violate the stated transaction limitations (if any), in our discretion we may close your account or reclassify it as a transaction account. If we reclassify your account, your account will be subject to the fees and earnings rules of the new account classification.

If we are presented with an item drawn against your account that would be a "substitute check," as defined by law, but for an error or defect in the item introduced in the substitute check creation process, you agree that we may pay such item.

See the funds availability policy disclosure for information about when you can withdraw funds you deposit. For those accounts to which our funds availability policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal. An item may be returned after the funds from the deposit of that item are made available for withdrawal. In that case, we will reverse the credit of the item. We may determine the amount of available funds in your account for the purpose of deciding whether to return an item for insufficient funds at any time between the time we receive the item and when we return the item or send a notice in lieu of return. We need only make one determination, but if we choose to make a subsequent determination, the account balance at the subsequent time will determine whether there are insufficient available funds.

**Overdrafts** - You understand that we may, at our discretion, honor withdrawal requests that overdraw your account. However, the fact that we may honor withdrawal requests that overdraw the account balance does not obligate us to do so later. So you can NOT rely on us to pay overdrafts on your account regardless of how frequently or under what circumstances we have paid overdrafts on your account in the past. We can change our practice of paying overdrafts on your account without notice to you. You can ask us if we have other account services that might be available to you where we commit to paying overdrafts under certain circumstances, such as an overdraft protection line-of-credit or a plan to sweep funds from another account you have with us. You agree that we may charge fees for overdrafts. For consumer accounts, we will not charge fees for overdrafts caused by ATM withdrawals or one-time debit card transactions if you have not opted-in to that service. We may use subsequent deposits, including direct deposits of social security or other government benefits, to cover such overdrafts and overdraft fees.

**Effect of Holds on Your Available balance, Overdrafts and Fees** - Holds on your account, including, but not limited to, holds placed on your account for pending electronic transactions, such as hotel or rental car deposits, holds placed on any deposits to your account, holds placed on any account for delinquent loans or lines of credit, holds based on any pledges of your account and any minimum account balance requirements may reduce your available balance and may cause your account to become overdrawn regardless of your actual balance. The Credit Union can decide whether an overdraft occurs based on your available balance or your actual balance as determined by the Credit Union in its sole discretion from time to time. However, you should assume that any item which would overdraft your account based on your then-current available balance may create an overdraft. The Credit Union's use of the available balance as described above will affect the Credit Union's determination of an overdraft or potential overdraft for any purpose, including, but not limited to, rejection of attempted items for insufficient funds, transfers pursuant to any overdraft protection plan and coverage under the Courtesy Pay Service described below and any fees or charges related to such overdrafts and transfers.

**Multiple signatures, electronic check conversion, and similar transactions** - An electronic check conversion transaction is a transaction where a check or similar item is converted into an electronic fund transfer as defined in the Electronic Fund Transfers regulation. In these types of transactions the check or similar item is either removed from circulation (truncated) or given back to you. As a result, we have no opportunity to review the check to examine the signatures on the item. You agree that, as to these or any items as to which we have no opportunity to examine the signatures, you waive any requirement of multiple signatures.

**OWNERSHIP OF ACCOUNT AND BENEFICIARY DESIGNATION** - These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We reserve the right to refuse some forms of ownership on any or all of our accounts. We make no representations as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds.

**Single-Party Account** - Such an account is owned by one party.

**Multiple-Party Account** - Such an account is payable on request to one or more of two or more parties, whether or not a right of survivorship is mentioned.

**Multiple-Party Account - Tenancy by the Entireties** - The account is owned by two parties who are married to each other and hold the account as tenants by the entirety.

**RIGHTS AT DEATH - Single-Party Account** - At the death of a party, ownership passes as part of the party's estate.

**Single-Party Account With Pay-on-Death Designation** - At death of the party, ownership passes to the designated pay-on-death beneficiaries and is not part of the party's estate.

**Agent and Fiduciary Accounts** - Any individual acting as an agent, custodian, trustee, representative payee, or in some other fiduciary capacity (collectively "Agent") must be designated as such on the signature card and or titling of the account. Otherwise, it will be assumed that the Account is owned in an individual capacity. We are authorized to follow the directions of the Agent regarding the Account until we receive written notice that the Agent has been terminated and we have a reasonable time to act upon the notice. We are not liable for the misapplication of funds from your Account by the Agent. We may also require that you complete the credit union's forms to document an Agent or fiduciary relationship.

**Multiple-Party Account With Right of Survivorship and Pay-on-Death Designation** - At death of last surviving party, ownership passes to the designated pay-on-death beneficiaries and is not part of the last surviving party's estate.

**UTMA ACCOUNTS** - Uniform Transfers to Minors Act - This ownership is established when funds are given to a minor as an irrevocable transfer pursuant to Florida's version of the Uniform Transfers to Minors Act or the Uniform Gifts to Minors Act under the custodianship of an adult or other legal entity. Your rights and duties are governed by those Acts. You will not be able to pledge the Account as collateral for any loan to you. Deposits will be held by us for the exclusive benefit of the minor. Section §710.123 of the Florida Statutes explains the "Termination of Custodianship." The custodian is required to transfer in an appropriate manner the custodial property to the minor or to the minor's estate upon the earlier of: (i) The minor's attainment of 21 years of age with respect to custodial property transferred under §710.105 or §710.106; (ii) The minor's attainment of age 18 with respect to custodial property transferred under §710.107 or §710.108; or (iii) The minor's death. Disbursement of custodial property by us directly to the minor is not permitted under the law. The custodian and/or any person opening the Account, in their individual capacity, agree to indemnify and hold us harmless from and against all loss, costs, damage, liability, or exposure, including reasonable attorney's fees, we may suffer or incur arising out of any action or claim by any beneficiary or other custodian with respect to the authority or actions taken by the Custodian in handling or dealing with the Account.

**REPRESENTATIVE PAYEE** - A Representative Payee is an individual that receives Social Security and/or Supplemental Security Income (SSI) payments for someone who cannot manage or direct the management of his/her money. We require documents from the Social Security Administration showing designation of the Representative Payee. By requesting such documentation, we undertake no obligation to monitor or enforce the terms of the instrument and shall bear no liability to the recipient or any third party should the Representative Payee act outside his or her authority. We will not act as trustee or fiduciary in connection with the account. For accounts set up with this form of ownership, the recipient's Social Security Number/Tax Identification Number is used for the IRS backup withholding certification.

**SPECIAL ACCOUNTS, CLUBS, OR ORGANIZATIONS** - Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. We may require the governing body of the legal entity opening the account to give us a separate authorization telling us who is authorized to act on its

behalf. We will honor the authorization until we actually receive written notice of a change from the governing body of the legal entity.

**STOP PAYMENTS** - Unless otherwise provided, the rules in this section cover stopping payment of items such as checks and drafts. Rules for stopping payment of other types of transfers of funds, such as consumer electronic fund transfers, may be established by law or our policy. If we have not disclosed these rules to you elsewhere, you may ask us about those rules.

We may accept an order to stop payment on any item from any one of you. You must make any stop-payment order in the manner required by law, it must be made in a signed and dated writing, and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. Because stop-payment orders are handled by computers, to be effective, your stop-payment order must precisely identify the number, date, and amount of the item, and the payee.

You may stop payment on any item drawn on your account whether you sign the item or not. Your stop-payment order is effective for six months. Your order will lapse after that time if you do not renew the order in writing before the end of the six-month period. We are not obligated to notify you when a stop-payment order expires. A release of the stop-payment request may be made only by the person who initiated the stop-payment order.

If you stop payment on an item and we incur any damages or expenses because of the stop payment, you agree to indemnify us for those damages or expenses, including attorneys' fees. You assign to us all rights against the payee or any other holder of the item. You agree to cooperate with us in any legal actions that we may take against such persons. You should be aware that anyone holding the item may be entitled to enforce payment against you despite the stop-payment order.

Our stop-payment cutoff time is one hour after the opening of the next banking day after the banking day on which we receive the item. Additional limitations on our obligation to stop payment are provided by law (e.g., we paid the item in cash or we certified the item).

**TELEPHONE TRANSFERS** - A telephone transfer of funds from this account to another account with us, if otherwise arranged for or permitted, may be made by the same persons and under the same conditions generally applicable to withdrawals made in writing. Unless a different limitation is disclosed in writing, we restrict the number of transfers from a savings account to another account or to third parties, to a maximum of six per month (less the number of "preauthorized transfers" during the month). Other account transfer restrictions may be described elsewhere.

**AMENDMENTS AND TERMINATION** - We may change our bylaws and any term of this agreement. Rules governing changes in rates are provided separately in the Truth-in-Savings disclosure or in another document. For other changes we will give you reasonable notice in writing or by any other method permitted by law. We may close this account if your membership in the credit union terminates, or by giving reasonable notice to you and tender of the account balance personally or by mail. Items presented for payment after the account is closed may be dishonored. When you close your account, you are responsible for leaving enough money in the account to cover any outstanding items and charges to be paid from the account. Reasonable notice depends on the circumstances, and in some cases such as when we cannot verify your identity or we suspect fraud, it might be reasonable for us to give you notice after the change or account closure becomes effective. For instance, if we suspect fraudulent activity with respect to your account, we might immediately freeze or close your account and then give you notice. At our option, we may suspend your rights to member services if you violate the terms of this agreement. If we have notified you of a change in any term of your account and you continue to have your account after the effective date of the change, you have agreed to the new term(s).

**NOTICES** - Any written notice you give us is effective when we actually receive it, and it must be given to us according to the specific delivery instructions provided elsewhere, if any. We must receive it in time to have a reasonable opportunity to act on it. If the notice is regarding a check or other item, you must give us sufficient information to be able to identify the check or item, including the precise check or item number, amount, date and payee. Written notice we give you is effective when it is deposited in the United States Mail with proper postage and addressed to your mailing address we have on file. Notice to any of you is notice to all of you.

**STATEMENTS** - Statements are a valuable tool to help prevent fraudulent or mistaken transfers. Your statement will show the transactions that occurred in connection with your account during the statement period.

**Your duty to report unauthorized signatures, alterations and forgeries** - Your statement will provide sufficient information for you to reasonably identify the items paid (item number, amount, and date of payment). You should keep a record of each transaction as it is made so that when we give you the information in the statement, you will have a complete understanding of each transaction listed.

You have some responsibilities in connection with your statement. You must examine your statement with "reasonable promptness." Also, if you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you must bear the loss entirely yourself or share the loss with us (we may have to share some of the loss if we failed to use ordinary care and if we substantially contributed to the loss). The loss you might bear, in whole or part, could be not only with respect to items listed on the statement, but also other items with unauthorized signatures or alterations by the same wrongdoer. Of course, an attempt can be made to recover the loss from the thief, but this is often unsuccessful.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but you will not, in any circumstance, have a total of more than 30 days from when we first send or make the statement available to you.

You further agree that if you fail to report any unauthorized signatures, alterations or forgeries in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in

that statement, and as between you and us the loss will be entirely yours. This 60-day limitation is without regard to whether we exercised ordinary care. The limitation in this paragraph is in addition to those contained in the second paragraph of this section.

Contact us if you do not receive your regular statement.

**Your duty to report other errors** - In addition to the Commercial Code and other state law, you agree there is a common law duty to promptly review your statement for errors in addition to unauthorized signatures, alterations or forgeries. Promptly reviewing your statement is valuable to both you and us because it can help identify, correct and prevent future mistakes.

In addition to your duty to review your statements for unauthorized signatures, alterations and forgeries, you agree to examine your statement with reasonable promptness for any other error - such as an encoding error. In addition, if you receive or we make available either your items or images of your items, you must examine them for any unauthorized or missing indorsements or any other problems. You agree that the time you have to examine your statement and items and report to us will depend on the circumstances. However, this time period shall not exceed 60 days. Failure to examine your statement and items and report any errors to us within 60 days of when we first send or make the statement available precludes you from asserting a claim against us for any errors on items identified in that statement and as between you and us the loss will be entirely yours. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the 60 day time period to report other errors.

**Errors relating to electronic fund transfers or substitute checks** - For information on errors relating to electronic fund transfers (e.g., computer, debit card or ATM transactions) refer to your Electronic Fund Transfers disclosure and the sections on consumer liability and error resolution. For information on errors relating to a substitute check you received, refer to your disclosure entitled Substitute Checks and Your Rights.

**ACCOUNT TRANSFER** - This account may not be transferred or assigned without our prior written consent.

**DIRECT DEPOSITS** - If we are required for any reason to reimburse the federal government for all or any portion of a benefit payment that was directly deposited into your account, you authorize us to deduct the amount of our liability to the federal government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

**TEMPORARY ACCOUNT AGREEMENT** - If the account documentation indicates that this is a temporary account agreement, each person who signs to open the account or has authority to make withdrawals (except as indicated to the contrary) may transact business on this account. However, we may at some time in the future restrict or prohibit further use of this account if you fail to comply with the requirements we have imposed within a reasonable time.

**RIGHT TO REPAYMENT OF INDEBTEDNESS** - You each agree that we may (without prior notice and when permitted by law) charge against and deduct from this account any due and payable debt any of you owe us now or in the future. If this account is owned by one or more of you as individuals, we may set off any funds in the account against a due and payable debt a partnership owes us now or in the future, to the extent of your liability as a partner for the partnership debt. If your debt arises from a promissory note, then the amount of the due and payable debt will be the full amount we have demanded, as entitled under the terms of the note, and this amount may include any portion of the balance for which we have properly accelerated the due date.

In addition to these contract rights, we may also have rights under a "statutory lien." A "lien" on property is a creditor's right to obtain ownership of the property in the event a debtor defaults on a debt. A "statutory lien" is one created by federal or state statute. If federal or state law provides us with a statutory lien, then we are authorized to apply, without prior notice, your shares and dividends to any debt you owe us, in accord with the statutory lien.

Neither our contract rights nor rights under a statutory lien apply to this account if prohibited by law. For example, neither our contract rights nor rights under a statutory lien apply to this account if: (a) it is an Individual Retirement Account or similar tax-deferred account, or (b) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (c) the debtor's right of withdrawal arises only in a representative capacity, or (d) setoff is prohibited by the Military Lending Act or its implementing regulations. We will not be liable for the dishonor of any check or draft when the dishonor occurs because we charge and deduct an amount you owe us from your account. You agree to hold us harmless from any claim arising as a result of our exercise of our right to repayment.

**CONVENIENCE ACCOUNT AGENT (Single-Party Accounts only)** - A convenience account, as defined by Florida law, means a deposit account other than a certificate of deposit, in the name of one individual, in which one or more individuals have been designated as agent with the right to make deposits to and withdraw funds from or draw checks on such account on the owner's behalf. A single individual is the owner, and the agent is merely designated to conduct transactions on the owner's behalf. The owner does not give up any rights to act on the account, and the agent may not in any manner affect the rights of the owner or beneficiaries, if any, other than by withdrawing funds from the account. The owner is responsible for any transactions of the agent. We undertake no obligation to monitor transactions to determine that they are on the owner's behalf.

The owner may terminate the agency at any time, and the agency is automatically terminated by the death of the owner. However, we may continue to honor the transactions of the agent until: (a) we have received written notice or have actual knowledge of the termination of agency, and (b) we have a reasonable opportunity to act on that notice or knowledge. We may refuse to accept the designation of a convenience account agent.

**RESTRICTIVE LEGENDS OR INDORSEMENTS** - We are not required to honor any restrictive legend or restrictive indorsement on checks you write unless we have agreed in writing to the restriction. Examples of restrictive legends are "must be presented within 90 days" or "not valid for more than \$1,000.00." The payee's signature accompanied by the words "for deposit only" is an example of a restrictive indorsement.

**PAYMENT ORDER OF ITEMS** - The law permits us to pay items (such as checks or drafts) drawn on your account in any order. To assist you in handling your account with us, we are providing you with the following information regarding how we process the items that you write. When processing items drawn on your account, our policy is to pay them according to the dollar amount. We pay the largest items first. The order in which items are paid is important if there is not enough money in your account to pay all of the items that are presented. Our payment policy will cause your largest, and perhaps more important, items to be paid first (such as your rent or mortgage payment), but may increase the overdraft or NSF fees you have to pay if funds are not available to pay all of the items. If an item is presented without sufficient funds in your account to pay it, we may, at our discretion, pay the item (creating an overdraft) or return the item (NSF). The amounts of the overdraft and NSF fees are disclosed elsewhere. We encourage you to make careful records and practice good account management. This will help you to avoid writing checks or drafts without sufficient funds and incurring the resulting fees.

**PLEDGES** - Each owner of this account may pledge all or any part of the funds in it for any purpose to which we agree. Any pledge of this account must first be satisfied before the rights of any surviving account owner or account beneficiary become effective.

**CHECK PROCESSING** - We process items mechanically by relying solely on the information encoded in magnetic ink along the bottom of the items. This means that we do not individually examine all of your items to determine if the item is properly completed, signed and indorsed or to determine if it contains any information other than what is encoded in magnetic ink. You agree that we have exercised ordinary care if our automated processing is consistent with general banking practice, even though we do not inspect each item. Because we do not inspect each item, if you write a check to multiple payees, we can properly pay the check regardless of the number of indorsements unless you notify us in writing that the check requires multiple indorsements. We must receive the notice in time for us to have a reasonable opportunity to act on it, and you must tell us the precise date of the check, amount, check number and payee. We are not responsible for any unauthorized signature or alteration that would not be identified by a reasonable inspection of the item. Using an automated process helps us keep costs down for you and all account holders.

**CHECK CASHING** - We may charge a fee for anyone that does not have an account with us who is cashing a check, draft or other instrument written on your account. We may also require reasonable identification to cash such a check, draft or other instrument. We can decide what identification is reasonable under the circumstances and such identification may be documentary or physical and may include collecting a thumbprint or fingerprint.

**INDORSEMENTS** - We may accept for deposit any item payable to you or your order, even if they are not indorsed by you. We may give cash back to any one of you. We may supply any missing indorsement(s) for any item we accept for deposit or collection, and you warrant that all indorsements are genuine.

**DEATH OR INCOMPETENCE** - You agree to notify us promptly if any person with a right to withdraw funds from your account(s) dies or is adjudicated (determined by the appropriate official) incompetent. We may continue to honor your checks, items, and instructions until: (a) we know of your death or adjudication of incompetence, and (b) we have had a reasonable opportunity to act on that knowledge. You agree that we may pay or certify checks drawn on or before the date of death or adjudication of incompetence for up to ten (10) days after your death or adjudication of incompetence unless ordered to stop payment by someone claiming an interest in the account.

**FIDUCIARY ACCOUNTS** - Accounts may be opened by a person acting in a fiduciary capacity. A fiduciary is someone who is appointed to act on behalf of and for the benefit of another. We are not responsible for the actions of a fiduciary, including the misuse of funds. This account may be opened and maintained by a person or persons named as a trustee under a written trust agreement, or as executors, administrators, or conservators under court orders. You understand that by merely opening such an account, we are not acting in the capacity of a trustee in connection with the trust nor do we undertake any obligation to monitor or enforce the terms of the trust or letters.

**CREDIT VERIFICATION** - You agree that we may verify credit and employment history by any necessary means, including preparation of a credit report by a credit reporting agency.

**LEGAL ACTIONS AFFECTING YOUR ACCOUNT** - If we are served with a subpoena, restraining order, writ of attachment or execution, levy, garnishment, search warrant, or similar order relating to your account (termed "legal action" in this section), we will comply with that legal action. Or, in our discretion, we may freeze the assets in the account and not allow any payments out of the account until a final court determination regarding the legal action. We may do these things even if the legal action involves less than all of you. In these cases, we will not have any liability to you if there are insufficient funds to pay your items because we have withdrawn funds from your account or in any way restricted access to your funds in accordance with the legal action. Any fees or expenses we incur in responding to any legal action (including, without limitation, attorneys' fees and our internal expenses) may be charged against your account. The list of fees applicable to your account(s) provided elsewhere may specify additional fees that we may charge for certain legal actions.

**TELEPHONIC INSTRUCTIONS** - Unless required by law or we have agreed otherwise in writing, we are not required to act upon instructions you give us via facsimile transmission or leave by voice mail or on a telephone answering machine.

**CLAIM OF LOSS** - If you claim a credit or refund because of a forgery, alteration, or any other unauthorized withdrawal, you agree to cooperate with us in the investigation of the loss, including giving us an affidavit containing whatever reasonable information we require concerning your account, the transaction, and the circumstances surrounding the loss. You will notify law enforcement authorities of any criminal act related to the claim of lost, missing, or stolen checks or unauthorized withdrawals. We will have a reasonable period of time to investigate the facts and circumstances surrounding any claim of loss. Unless we have acted in bad faith, we will not be liable for special or consequential damages, including loss of profits or opportunity, or for attorneys' fees incurred by you.

You agree that you will not waive any rights you have to recover your loss against anyone who is obligated to repay, insure, or otherwise reimburse you for your loss. You will pursue your rights or, at our option, assign them to us so that we may pursue them. Our liability will be reduced by the amount you recover or are entitled to recover from these other sources.

**EARLY WITHDRAWAL PENALTIES (and involuntary withdrawals)** - We may impose early withdrawal penalties on a withdrawal from a time account even if you don't initiate the withdrawal. For instance, the early withdrawal penalty may be imposed if the withdrawal is caused by our setoff against funds in the account or as a result of an attachment or other legal process. We may close your account and impose the early withdrawal penalty on the entire account balance in the event of a partial early withdrawal. See your notice of penalty for early withdrawals for additional information.

**RESOLVING ACCOUNT DISPUTES** - We may place an administrative hold on the funds in your account (refuse payment or withdrawal of the funds) if it becomes subject to a claim adverse to (1) your own interest; (2) others claiming an interest as survivors or beneficiaries of your account; or (3) a claim arising by operation of law. The hold may be placed for such period of time as we believe reasonably necessary to allow a legal proceeding to determine the merits of the claim or until we receive evidence satisfactory to us that the dispute has been resolved. We will not be liable for any items that are dishonored as a consequence of placing a hold on funds in your account for these reasons.

**WAIVER OF NOTICES** - To the extent permitted by law, you waive any notice of non-payment, dishonor or protest regarding any items credited to or charged against your account. For example, if you deposit a check and it is returned unpaid or we receive a notice of nonpayment, we do not have to notify you unless required by federal Regulation CC or other law.

**ACH AND WIRE TRANSFERS** - This agreement is subject to Article 4A of the Uniform Commercial Code - Fund Transfers as adopted in the state in which you have your account with us. If you originate a fund transfer and you identify by name and number a beneficiary financial institution, an intermediary financial institution or a beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. You agree to be bound by automated clearing house association rules. These rules provide, among other things, that payments made to you, or originated by you, are provisional until final settlement is made through a Federal Reserve Bank or payment is otherwise made as provided in Article 4A-403(a) of the Uniform Commercial Code. If we do not receive such payment, we are entitled to a refund from you in the amount credited to your account and the party originating such payment will not be considered to have paid the amount so credited. Credit entries may be made by ACH. If we receive a payment order to credit an account you have with us by wire or ACH, we are not required to give you any notice of the payment order or credit.

**POWER OF ATTORNEY** - You may wish to appoint an agent to conduct transactions on your behalf. (We, however, have no duty or agreement whatsoever to monitor or insure that the acts of the agent are for your benefit.) This may be done by allowing your agent to sign in that capacity on the signature card or by separate form, such as a power of attorney. A power of attorney continues until your death or the death of the person given the power. If the power of attorney is not "durable," it is revoked when you become incompetent. We may continue to honor the transactions of the agent until: (a) we have received written notice or have actual knowledge of the termination of the authority or the death of an owner, and (b) we have had a reasonable opportunity to act on that notice or knowledge. You agree not to hold us responsible for any loss or damage you may incur as a result of our following instructions given by an agent acting under a valid power of attorney.

**FACSIMILE SIGNATURES** - Unless you make advance arrangements with us, we have no obligation to honor facsimile signatures on your checks or other orders. If we do agree to honor items containing facsimile signatures, you authorize us, on any time, to charge you for all checks, drafts, or other orders, for the payment of money, that are drawn on us. You give us this authority regardless of by whom or by what means the facsimile signature(s) may have been affixed so long as they resemble the facsimile signature specimen filed with us, and contain the required number of signatures for this purpose. You must notify us at once if you suspect that your facsimile signature is being or has been misused.

**STALE-DATED CHECKS** - We are not obligated to, but may at our option, pay a check, other than a certified check, presented for payment more than six months after its date. If you do not want us to pay a stale-dated check, you must place a stop-payment order on the check in the manner we have described elsewhere.

**BACKUP WITHHOLDING/TIN CERTIFICATION** - Federal tax law requires us to report interest payments we make to you of \$10 or more in a year, and to include your taxpayer identification number (TIN) on the report (the taxpayer identification number is your social security number if you are an individual). Interest includes dividends, interest and bonus payments for purposes of this rule. Therefore, we require you to provide us with your TIN and to certify that it is correct. In some circumstances, federal law requires us to withhold and pay to the IRS a percentage of the interest that is earned on funds in your accounts. This is known as backup withholding. We will not have to withhold interest payments when you open your account if you certify your TIN and certify that you are not subject to backup withholding due to underreporting of interest. (There are special rules if you do not have a TIN but have applied for one, if you are a foreign person, or if you are exempt from the reporting requirements.) We may subsequently be required to begin backup withholding if the IRS informs us that you supplied an incorrect TIN or that you underreported your interest income.

**SECURITY** - It is your responsibility to protect the account number(s) and access device(s) (e.g., an ATM card, point-of-sale card and/or PIN) for your account(s). Do not discuss, compare, or share information about your account number(s) or access device(s) with anyone unless you are willing to give them full use of your money. Checks and electronic withdrawals are processed by automated methods, and anyone who obtains your account number or access device could use it to withdraw money from your account, with or without your permission.

Except for consumer electronic funds transfers subject to Regulation E, you agree that if we offer you services appropriate for your account to help identify and limit fraud or other unauthorized transactions against your account, such as positive pay or commercially reasonable security procedures, and you reject those services, you will be responsible for any fraudulent or unauthorized transactions which could have been prevented by the services we offered, unless we acted in bad faith or to the extent our negligence contributed to the loss.

**Account numbers** - Thieves can encode your account number on a check which looks and functions like an authorized check and can be used to withdraw money from your account. Your account number can also be used to issue a "remotely created check." Like a typical check, a remotely created check (sometimes called a telecheck, preauthorized draft or demand draft) is a draft or check that can be used to withdraw money from your account. Unlike a typical check or draft, however, a remotely created check is not issued by the paying bank and does not contain the signature of the account owner (or a signature purported to be the signature of the account owner). If you have truly authorized the remotely created check (to purchase a service or merchandise, for example), it is properly payable. But it can be risky to authorize a remotely created check. A swindler could issue a remotely created check in an amount greater than you authorized, or issue additional remotely created checks that you have not authorized. We will not know if the withdrawal is unauthorized or in an amount greater than the amount you have authorized. Payment can be made from your account even though you did not contact us directly and order the payment.

**Access devices** - If you furnish your access device and grant actual authority to make transfers to someone who then exceeds that authority, you will be liable for the transfers unless we have been notified that transfers by that person are no longer authorized. Please review the additional information you have received or will receive regarding transfers by access device.

**Blank checks** - You must also take precaution in safeguarding your blank checks. Notify us at once if you think your blank checks have been lost or stolen. As between you and us, if you are negligent in safeguarding your checks, you must bear the loss entirely yourself, or share the loss with us if we failed to use ordinary care which substantially contributes to the loss.

**ADDRESS OR NAME CHANGES** - You are responsible for notifying us of any change in your address or your name. Unless we agree otherwise, change of address or name must be made in writing by at least one of the account holders. Informing us of your address or name change on a check reorder form is not sufficient. We will attempt to communicate with you only by use of the most recent address you have provided to us. If provided elsewhere, we may impose a service fee if we attempt to locate you.

**UNLAWFUL INTERNET GAMBLING NOTICE** - Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

**MONITORING AND RECORDING TELEPHONE CALLS** - We may monitor or record phone calls for security reasons and to ensure that you receive courteous and efficient service. You consent in advance to any such recording. We need not remind you of our recording before each phone conversation.

**CONSENT TO CONTACT** - You agree we and/or our third-party debt collectors may contact you by telephone or text message at any telephone number associated with your account, including wireless telephone numbers (i.e. cell phone numbers) which could result in charges to you, in order to service your account or collect any amounts owed to us, excluding any contacts for advertising and telemarketing purposes as prescribed by law. You further agree methods of contact may include use of pre-recorded or artificial voice messages, and/or use of an automatic dialing device. You may withdraw the consent to be contacted at your wireless telephone number(s) at any time by written notice to us at BrightStar Credit Union, P.O. Box 8966, Fort Lauderdale, Florida 33310, by telephone at (954) 486-2728 or (800) 637-2728, or by any other reasonable means. If you have provided a wireless telephone number(s) on or in connection with your accounts, or any of them, you represent and agree you are the wireless subscriber or customary user with respect to the wireless telephone number(s) provided and have the authority to give this consent. Furthermore, you agree to notify us of any change to the wireless telephone number(s) which you provide to us. You agree to indemnify us and our third-party debt collectors, and hold us and our third-party debt collectors harmless, from and against any and all losses, claims, damages, liabilities, costs of expenses (including attorneys' fees) that arise out of your breach of any of the foregoing representations and agreements.

In order to help mitigate harm to you and your account, we may contact you on any telephone number associated with your account, including a wireless telephone number (i.e. cell phone number), to deliver to you any messages related to suspected or actual fraudulent activity on your account, data security breaches or identity theft following a data breach, money transfers, or any other exigent messages permitted by applicable law. These contacts will not contain any telemarketing, cross-marketing, solicitation, advertising, or debt collection message of any kind. The contacts will be concise and limited in frequency as required by law. You will have an opportunity to opt-out of such communications at the time of delivery.

**INTERNATIONAL ACH TRANSACTIONS** - Financial institutions are required by law to scrutinize or verify any international ACH transaction (IAT) that they receive against the Specially Designated Nationals (SDN) list of the Office of Foreign Assets Control (OFAC). This action may, from time to time, cause us to temporarily suspend processing of an IAT and potentially affect the settlement and/or availability of such payments.

**SAVINGS, CHECKING AND MONEY MARKET ACCOUNT ORGANIZATION** - Your Savings, Checking and/or Money Market Deposit Accounts consist of a savings sub account and a checking sub account. The Credit Union may periodically transfer funds between these two sub accounts. On a sixth transfer during a calendar month, any funds in the savings sub account will be transferred back to the checking sub account. If your existing account earns dividends, the savings sub account will also earn dividends at the same rate. Otherwise, the savings sub account

will not earn dividends. The savings sub account will be governed by the rules governing our other savings accounts indicated within the Withdrawals Section of your Account Agreement. This process will not affect your available balance, the interest you may earn, NCUA insurance protection, your monthly statement or any other features of this Account.

**UNCLAIMED PROPERTY** - The law establishes procedures under which unclaimed property must be surrendered to the state. (We may have our own rules regarding dormant accounts, and if we charge a fee for dormant accounts it will be disclosed to you elsewhere.) Generally, the funds in your account are considered unclaimed if you have not had any activity or communication with us regarding your account over a period of years. Ask us if you want further information about the period of time or type of activity that will prevent your account from being unclaimed. If your funds are surrendered to the state, you may be able to reclaim them, but your claim must be presented to the state. Once your funds are surrendered, we no longer have any liability or responsibility with respect to the funds.

**ABANDONED PROPERTY** - If your Account is considered to be abandoned under applicable law because you have not used or acknowledged your Account for a time period directed by law, we must turn over the funds in your Account to the appropriate governmental authority. We may give notices as required by law before we do this. You may try to reclaim funds turned over to the governmental authority to the extent permitted by applicable law.

## NOTICE OF NEGATIVE INFORMATION

Federal law requires us to provide the following notice to members before any "negative information" may be furnished to a nationwide consumer reporting agency. "Negative information" includes information concerning delinquencies, overdrafts or any form of default. This notice does not mean that we will be reporting such information about you, only that we may report such information about members that have not done what they are required to do under our agreement.

After providing this notice, additional negative information may be submitted without providing another notice.

**We may report information about your account to credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report.**

## COURTESY PAY SERVICE

**Courtesy Pay service** overdrafts your checking account ("Account") to pay checks, ATM/Visa Check Card transactions, ACH debits, and other transactions presented for payment from your Account which would otherwise be rejected and returned unpaid due to insufficient funds or uncollected balance. To pay these items, your Account will be overdrawn (taken into the negative).

In order to qualify for Courtesy Pay, a member must have: a) a checking account for at least 30 days; b) be at least 18 years of age; c) be no more than 11 days past due on any Credit Union loans.

The maximum permitted negative balance may vary. The Credit Union may reject any transaction which would exceed the maximum negative balance. If your Account exceeds the maximum negative balance, the Credit Union may immediately terminate Courtesy Pay service or close your Account without notice to you.

All negative balance amounts must be immediately paid to the Credit Union upon demand. If you fail to pay any negative balance amounts upon demand, the Credit Union may immediately terminate Courtesy Pay service and/or close your Account without notice to you. You shall be liable for any negative balance amounts until all such amounts are paid in full to the Credit Union.

A notice will be mailed to you for each transaction or set of transactions which overdraw your account. Courtesy Pay fees will be posted automatically to your Account at the time overdraft transactions are paid. Notwithstanding anything else in this document to the contrary, the Credit Union has no duty to pay any check or other transaction which could otherwise be rejected and returned unpaid due to insufficient funds or uncollected balance and may reject any such check or transaction in the Credit Union's sole discretion without notice to you. Courtesy Pay service will automatically be activated on your account for checks and ACH transactions subject to the above terms and conditions and upon qualifications of the criteria mentioned above. You have the right to affirmatively consent, or opt into payment of overdrafts for ATM and one time debit card transactions. Without your affirmative consent, payment of ATM and everyday debit card transactions that would overdraw your account will not be paid by the Credit Union. Courtesy Pay service may be cancelled by contacting us at 800-637-BSCU (2728).

## ELECTRONIC FUND TRANSFERS YOUR RIGHTS AND RESPONSIBILITIES

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference.

**Electronic Fund Transfers Initiated By Third Parties.** You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a

number of ways. For example, your authorization to convert a check or draft to an electronic fund transfer or to electronically pay a returned check or draft charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and credit union information. This information can be found on your check or draft as well as on a deposit or withdrawal slip. Thus, you should only provide your credit union and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- **Preauthorized credits.** You may make arrangements for certain direct deposits to be accepted into your Checking or Savings account(s).
- **Preauthorized payments.** You may make arrangements to pay certain recurring bills from your Checking, Savings, or Money Market account(s).
- **Electronic check or draft conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your checking or share draft account using information from your check or draft to pay for purchases or pay bills.
- **Electronic returned check or draft charge.** You may authorize a merchant or other payee to initiate an electronic funds transfer to collect a charge in the event a check or draft is returned for insufficient funds.

Please also see **Limitations on frequency of transfers** section regarding limitations that apply to savings accounts.

**Call24 Telephone Transfers or Online Banking Transfers - types of transfers** - You may access your account by telephone at (954) 486-2728 or 1-800-637-2728 using your personal identification number, a touch tone phone, and your account numbers or by computer at [www.bscu.org](http://www.bscu.org) and using your personal identification number, and your account numbers, to:

- transfer funds from Checking to other Checking, Savings, or Money Market accounts
- transfer funds from Savings to Checking, Savings, or Money Market accounts
- make payments from Checking, Savings, or Money Market to loan accounts with us
- get information about:
  - account balance
  - the last deposits to these accounts
  - the last withdrawals from these accounts
  - print a history of transactions on a Savings, Checking, or Money Market account (computer access only)

Please also see **Limitations on frequency of transfers** section regarding limitations that apply to telephone or computer transfers.

**Automated Teller Machines (ATM) Transactions - types of transactions, frequency and dollar limitations** - You may access your account(s) by ATM using your ATM card and personal identification number or VISA® Check Card and personal identification number, to:

- make deposits to Checking or Savings account(s)
- make cash withdrawals up to \$500 per day from Checking or Savings account(s) (certain members may qualify for higher limits)
- transfer funds between Checking and Savings account(s)
- make payments on your loan accounts with us at BrightStar CU terminals
- inquire about your Savings and Checking account balances
- when using your card, you may not exceed 20 transactions per day (combined ATM and POS transactions)

Some of these services may not be available at all terminals.

Please also see **Limitations on frequency of transfers** section regarding limitations that apply to ATM transactions. Please refer to our fee and service charge schedule for applicable fees.

**Point-of-Sale Transactions - types of transactions, frequency and dollar limitations** - You may access your Checking account(s) with a VISA Check Card to purchase goods (in person, online, or by phone), pay for services (in person, online, or by phone), and get cash from a merchant, if the merchant permits, or from a participating financial institution.

- Payments for purchases at participating merchants with a VISA Check Card will have a limit of \$10,000.00 per day.
- when using your card, you may not exceed 20 transactions per day (combined POS and ATM transactions)

Point-of-Sale Transactions will be authorized at the time of purchase based on the available balance in the checking account plus any amounts available to the account from overdraft sources. You authorize us to debit your checking account and you agree that your authorization may result in an immediate withdrawal from the account when transaction is authorized.

### Termination

- We may terminate this Agreement by revoking the card without notice.
- You may terminate this Agreement at any time by surrendering a card to us.

Please also see **Limitations on frequency of transfers** section regarding limitations that apply to Point-Of-Sale transactions. Please refer to our fee and service charge schedule for applicable fees.

**Currency Conversion.** When you use your Visa® Check Card at a merchant that settles in currency other than US dollars, the charge will be converted into the US dollar amount. The currency conversion rate used to determine the transaction amount in US dollars is either a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.

**Advisory Against Illegal Use.** You agree not to use your card(s) for illegal gambling or other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.

**Non-Visa Debit Transaction Processing.** We have enabled non-Visa debit transaction processing. This means you may use your Visa-branded debit card on a PIN-Debit Network\* (a non-Visa network) without using a PIN.

The non-Visa debit network(s) for which such transactions are enabled are: CIRRUS, PRESTO, and CREDIT UNION 24 Networks.

Examples of the types of actions that you may be required to make to initiate a Visa transaction on your Visa-branded debit card include signing a receipt, providing a card number over the phone or via the Internet, or swiping the card through a point-of-sale terminal.

Examples of the types of actions you may be required to make to initiate a transaction on a PIN-Debit Network include initiating a payment directly with the biller (possibly via telephone, Internet, or kiosk locations), responding to a logo displayed at a payment site and choosing to direct payment through that network, and having your identity verified using known information derived from an existing relationship with you instead of through use of a PIN.

The provisions of your agreement with us relating only to Visa transactions are not applicable to non-Visa transactions. For example, the additional limits on liability (sometimes referred to as Visa's zero-liability program) and the streamlined error resolution procedures offered on Visa debit card transactions are not applicable to transactions processed on a PIN-Debit Network.

\*Visa Rules generally define **PIN-Debit Network** as a non-Visa debit network that typically authenticates transactions by use of a personal identification number (PIN) but that is not generally known for having a card program.

**Limitations on frequency of transfers** - In addition to those limitations on transfers elsewhere described, if any, the following limitations apply:

- During any statement cycle, you may not make more than six withdrawals or transfers from a Savings or Money Market account to another credit union account of yours or to a third party by means of a preauthorized, automatic, or computer transfer, telephonic order or instruction, or by check, draft, debit card, or similar order to a third party. If you exceed the transfer limitations set forth above, your account may be subject to closure by the credit union.

Please refer to our fee and service charge schedule for transaction limitation fees.

#### FEES

- We do not charge for direct deposits to any type of account.
- We do not charge for preauthorized payments from any type of account.
- There is no charge for your initial Check Card, but we reserve the right to charge an additional fee for replacement cards issued as a result of member loss or negligence.

Except as indicated elsewhere, we do not charge for these electronic fund transfers.

**ATM Operator/Network Fees.** When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer).

#### DOCUMENTATION

- **Terminal transfers.** You can get a receipt at the time you make a transfer to or from your account using an automated teller machine or point-of-sale terminal. However, you may not get a receipt if the amount of the transfer is \$15 or less.
- **Preauthorized credits.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at (954) 486-2728 or 1-800-637-2728 to find out whether or not the deposit has been made.
- **Periodic statements.**

You will get a monthly account statement from us for your Checking accounts.

You will get a monthly account statement from us for your Savings accounts, unless there are no transfers in a particular month. In any case, you will get a statement at least quarterly.

#### PREAUTHORIZED PAYMENTS

- **Right to stop payment and procedure for doing so.** If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here is how:

Call or write us at the telephone number or address listed in this brochure in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

Please refer to our fee and service charge schedule for applicable fees.

- **Notice of varying amounts.** If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose

instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

- **Liability for failure to stop payment of preauthorized transfer.** If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

#### FINANCIAL INSTITUTION'S LIABILITY

**Liability for failure to make transfers.** If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (1) If, through no fault of ours, you do not have enough money in your account to make the transfer.
- (2) If you have an overdraft line and the transfer would go over the credit limit.
- (3) If the automated teller machine where you are making the transfer does not have enough cash.
- (4) If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- (5) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- (6) There may be other exceptions stated in our agreement with you.

#### CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers; or
- (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- (3) in order to comply with government agency or court orders; or
- (4) if you give us written permission.

#### UNAUTHORIZED TRANSFERS

##### (a) Consumer liability.

• **Generally.** Tell us AT ONCE if you believe your card and/or code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check or draft. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card and/or code, you can lose no more than \$50 if someone used your card and/or code without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

• **Additional Limit on Liability for VISA® Check Card.** Unless you have been grossly negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen VISA® Check Card. This additional limit on liability does not apply to ATM transactions outside of the U.S., to ATM transactions not sent over Visa or Plus networks, or to transactions using your Personal Identification Number which are not processed by VISA®. Visa is a registered trademark of Visa International Service Association.

**(b) Contact in event of unauthorized transfer.** If you believe your card and/or code has been lost or stolen, call or write us at the telephone number or address listed in this brochure. You should also call the number or write to the address listed in this brochure if you believe a transfer has been made using the information from your check or draft without your permission.

#### ERROR RESOLUTION NOTICE

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed in this brochure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We may take up to 45 days to investigate your complaint or question (90 days for Point of Sale (POS), out of state/foreign, and new accounts). If we take more than 10 business days (5 business days for VISA® Check Card point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) to do this,

we will credit your account for the amount in question, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has established an account with us before this account is opened.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

#### **NOTICE OF ATM/NIGHT DEPOSIT FACILITY USER PRECAUTIONS**

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful.

1. Prepare for your transactions at home (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
2. Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Don't leave them at the ATM or night deposit facility because they may contain important account information.
3. Compare your records with the account statements you receive.
4. Don't lend your ATM card to anyone.
5. Remember, do not leave your card at the ATM. Do not leave any documents at a night deposit facility.
6. Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM card as though it were cash. Don't tell anyone your PIN. Don't give anyone information regarding your ATM card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.
7. Prevent others from seeing you enter your PIN by using your body to shield their view.
8. If you lose your ATM card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your card is lost or stolen.
9. When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.
10. Don't accept assistance from anyone you don't know when using an ATM or night deposit facility.
11. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card and leave. You might consider using another ATM or coming back later.
12. Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home, or other secure surrounding.
13. At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
14. We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and the local law enforcement officials immediately.

## **YOUR ABILITY TO WITHDRAW FUNDS**

This policy statement applies to "transaction" accounts. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts of yours with us. Checking accounts are the most common transaction accounts. Feel free to ask us whether any of your other accounts might also be under this policy.

Our policy is to make funds from your check deposits available to you on the second business day after the day we receive your deposit, with the first \$200 available on the first business day after the day of your deposit. Electronic direct deposits will be available on the day we receive the deposit. Cash, wire transfers, and some specified check deposits will also be available before the second business day, as detailed below. Once the

funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposit, every day is a business day except Saturdays, Sundays and federal or credit union holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

The first \$200 deposited per business day will be available on the next business day.

#### **IMMEDIATE AVAILABILITY**

Funds from the following deposits are available immediately on the business day of your deposit:

Electronic direct deposits to your account.

U.S. Treasury checks that are payable to you.

Wire transfers.

Checks drawn on BrightStar Credit Union (provided funds are available from issuing member's account).

If you make the deposit in person to one of our employees, funds from the following deposits are also available immediately on the business day of your deposit:

Cash.

State and local government checks that are payable to you.

Cashier's, certified, and teller's checks that are payable to you.

Federal Reserve Bank checks, Federal Home Loan Bank checks, and U.S. Postal Money Orders, if these items are payable to you.

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits will be available on the first business day after the day of your deposit.

#### **Other Check Deposits Subject to Second-Day Availability**

The first \$200 from a deposit of other checks will be available on the first business day after the day of your deposit. The remaining funds will be available on the second business day after the day of your deposit.

For example, if you deposit a check of \$700 on a Monday, \$200 of the deposit is available on Tuesday. The remaining \$500 is available on Wednesday.

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

#### **LONGER DELAYS MAY APPLY**

Funds you deposit by check may be delayed for a longer period under the following circumstances:

We believe a check you deposit will not be paid.

You deposit checks totaling more than \$5,000 on any one day.

You redeposit a check that has been returned unpaid.

You have overdrawn your account repeatedly in the last six months.

There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

#### **SPECIAL RULES FOR NEW ACCOUNTS**

If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available immediately if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the seventh business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the seventh business day after the day of your deposit.

#### **DEPOSITS AT NIGHT DEPOSITORY FACILITY**

If you make your deposit after 8:00 A.M. at a night depository, or on a day we are not open, we will consider that the deposit was made on the next day we are open.

**DEPOSITS AT AUTOMATED TELLER MACHINES**

Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we do not own or operate will not be available until the fifth business day after the day of your deposit. This rule does not apply at ATMs that we own or operate.

All ATMs that we own or operate are identified as our machines.

You agree that you will make all Automated Teller Machine (ATM) deposits of cash and/or check in a properly sealed official Credit Union envelope provided at such ATMs and that you will properly place the sealed deposit envelope into the ATM and accurately complete all deposit information as prompted by the ATM. If you fail to comply with these requirements, you agree to indemnify and hold BrightStar Credit Union harmless from and against any claims, demands or losses arising from or related to any loss of such deposits or any delay in crediting any such deposits to your account. You agree that any ATM deposit that fails to meet these requirements shall not be considered deposited unless and until BrightStar Credit Union verifies that such deposit was made by you and intended for your account.

**SUBSTITUTE CHECKS AND YOUR RIGHTS**

As our member we think it's important for you to know about substitute checks. The following Substitute Check Disclosure provides information about substitute checks and your rights. So you will recognize substitute checks when you receive them, we have included a copy of the front side of a substitute check along with an explanation of the substitute check's components.

**What is a substitute check?**

To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

**What are my rights regarding substitute checks?**

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500 of your refund (plus interest if your account earns interest) within 10 business days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than 45 calendar days after we received your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

**How do I make a claim for a refund?**

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us at:

BrightStar Credit Union  
 PO Box 8966  
 Ft. Lauderdale FL 33310  
 954-486-2728 or 1-800-637-2728

You must contact us within 60 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include —

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- A copy of the substitute check or the following information to help us identify the substitute check: the check number, the amount of the check, the date of the check, and the name of the person to whom you wrote the check.

**SUBSTITUTE CHECK IMAGE**

Below is an image of a sample substitute check. The numbers listed below the image correspond with the numbers on or near the substitute check image and the corresponding text explains the various components of a substitute check.

The image shows a substitute check from ABC Company for \$147.50, dated Oct 28, 2004, payable to Pat Payor. The check includes a MICR line at the bottom and a security feature image. Numbered callouts are as follows:

- 1**: Points to the Payor information: Pat Payor, 101 Your Street, Your City, USA 10101.
- 2**: Points to the MICR line at the bottom: @ 234 56 789: 0 234 56 789 000000 14750.
- 3**: Points to the top-left header information: \*051000033\* 10/28/2004 3112003355102116.
- 4**: Points to the top-right header information: [121000374] 10/28/2004 0025671467874451.

- 6**: Points to the MICR line on the right side: @ 234 56 789: 0 234 56 789 000000 14750.

These numbers correspond with the numbers on the Substitute Check Image:

- 1 An image of the original check appears in the upper right-hand corner of the substitute check.
- 2 A substitute check is the same size as a standard business check.
- 3 The information in asterisks relates to the "reconverting bank"—the financial institution that created the substitute check.
- 4 The information in brackets (appears sideways facing check image) relates to the "truncating bank"—the financial institution that took the original check out of the check processing system.
- 5 The Legal Legend states: *This is a LEGAL COPY of your check. You can use it the same way you would use the original check.*
- 6 The MICR lines at the bottom of the image of the original and at the bottom of the substitute check are the same except for the "4" at the beginning of the MICR line on the substitute check, which indicates that it is a substitute check being moved forward for collection purposes. It is also possible for the MICR line on the substitute check to begin with a "5" if the item is being returned. The rest of the MICR line is the same as the original check to ensure that it is processed as though it were the original.
